Presidents' Day,
 the United States holiday
 (third Monday in February) popularly recognized as honoring George Washington and Abraham Lincoln. The day is sometimes understood as a celebration of the birthdays and lives of all U.S. presidents. Lincoln's birthday is February 12, 1809. Washington was born February 11, 1731 under the then used Julian Calendar. When Britain and it's colonies adopted the Gregorian Calendar, Washington's birthday was moved to February 22, 1732.

Pray without ceasing for these in assisted living care & home care.
